

Financial Student Support by the Parent Association Guidelines

The GIBS Parent Association provides assistance to families so that every student can participate in school events (e.g., ski trips, sports weeks, language trips) or make school-related expenses. The level of support depends on the cost of the school event and the family's net income. Please fill out the application form completely and submit it along with the required documents. All information you provide will be treated confidentially and used solely for decision-making purposes (in accordance with GDPR).

Requirements

- Membership in the GIBS Parent Association by paying the annual membership fee (included in the contribution to the support association).
- Fully completed application form.
- Financial need. You can use the School Aid Calculator as a reference.

Deadlines

- The application must be submitted to the GIBS Parent Association in a timely manner (at least 4 weeks before the school event). In exceptional cases, support may be granted afterward.

Prozess

- A separate application must be completed for each school event.
- You can send the completed application online to the Parent Association at ev.support@gibs.at.
- If the requested amount exceeds 300 Euros, please also provide proof of family income, such as pay stubs, tax returns, or bank statements.
- The relevant Parent Association committee will review the application and attachments as quickly as possible. • The decision will be communicated to you by email.

Disclaimers and Notes

- There is no legal entitlement to financial support.
- The amount of financial support depends on the family's financial need and the available funds in the Parent Association.
- In cases of temporary need, parents can offer to repay the received financial support. Such offers can be noted on the form but are entirely voluntary.
- The GIBS Parent Association reserves the right to reclaim support in case of incorrect information, non-participation in an event, or overpaid subsidies.
